Perhaps you are one of us. If you are, you probably know about malaria. In either event you really owe it to good health to take

HERBINE

It will positively prevent malaria, from which you will contract otherwise easily. It will positively cure malaria if it is already upon you; moreover, while its effects are absolute, it will not undermine your general health like quinine and calomel.

Poor Girls.

The poorest girls in the world are those not taught to work. There are thousands of them. Rich parents have petted them and they have been taught to despise labor and to depend upon others for a living, and are perfectly helpless. The most forlorn women belong to this class. Every daughter should learn to earn her own living, the rich as well as the poor. The wheel of fortune rolls swiftly around; the rich are likely to become poor, and the poor rich. Skill added to labor is no disadvantage to the rich, and is indispensable to the poor. Well-to-do girls should learn to work. No reform is more imperative than this. —London Gentlewoman.

In Praise of Chamberlain's Colic, Cholera and Diarrhoea.

"Allow me to give you a few words in praise of Chamberlain's Colic, Cholera and Diarrhoea," says Mr. John Hamlett, of Eagle Pass, Texas. "I suffered one week with bowel trouble and took all kinds of medicine without getting any relief, when my friend, Mr. C. Johnson, a merchant here, advised me to take this remedy. After taking one dose I felt greatly relieved and when I had taken the third dose was entirely cured. I thank you from the bottom of my heart for putting this great remedy in the hands of mankind." For sale by W. J. Sedberry.

There has never been a time when country-cured hams and choice bacon did not bring fancy prices. With alfalfa on which to grow this meat and with mast and grain to harden the flesh and to give it flavor there should be a great volume of this country-cured meat placed upon Southwestern markets every year. What is more delicious than a well cured ham from a moderately fat young hog weighing 200 pounds. The epicures of the world have discovered nothing more pleasing to man's palate — Farm and Ranch.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size. Ely Brothers, 56 Warren St., N.Y.

The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation.

With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.

The Hon. Tom Watson is to speak in Houston on the 23d of this month, and Democrats and Republicans alike will be dressed down. Mr. Watson is probably getting more fun out of the campaign than any other Presidential candidate. —Colorado Citizen.

Raised From the Dead.

C. W. Landis, "Porter" for the Oriental Hotel, Chanute, Kan., says: "I know what it was to suffer with neuralgia, indeed I did, and I got a bottle of Ballard's Snow Liniment and I was 'raised from the dead.' I tried to get some more, but before I 'deposed' of my bottle, I was cured entirely. I am telling the truth, too." 25c, 50c and \$1.00 at W. J. Sedberry.

The Bastrop Advertiser notes "a Hillsboro young man, on a charge of slandering a young lady, was fined \$100 the costs \$250, making a total of \$350, fine and costs. Breaking his neck should have been added to the fine, if guilty." —Colorado Citizen.

We are not frightened from the ranks. We have just been spending a few days in the big pine woods, breathing in ozone, hoping to be able to coin better bullets for the Antis, in the future.

Ten years from now some of the Antis will be drinking the cup, they are now measuring for others. Then they shall cry aloud for mercy and wish they had voted against the open saloon.

Retributive justice is as sure as the setting of to-day's sun. The cup you have measured for others, shall be filled for you.

What is the purest, the daintiest, the most helpless, and the sweetest thing you ever looked upon? A baby.

What is the most helpless, still the most arrogant; the most ignorant, still a Mr. Know-All; the ugliest, still the vainest? Give it up? Why it is a drunkard.

And that baby may grow up to be a drunkard. Who is to bear the blame for such an awful change? One hundred and one, round-about solutions can be given. —but there is just one plain, true answer. He who votes for the open saloon, must answer before the Great Judge.

Oh, the Esaus, the Esaus who sell their birth-right of manhood for — What?

This world is a mighty big place, but when the Lord casts on His search light, many of you will be tired out finding a hiding place. You'll not be thinking about your business interest then, you'll not be counting and computing your revenues from the big beer and whiskey factories, you'll not be planning how you can make a hundred dollars from fifty.

Better begin to think of that time right now. "Let the dead past, bury its dead" What is done cannot be undone, you know, but you can turn about and do such good, grand and gracious deeds and lay them all on top of the little tricky, dirty, unseemly deeds, then at the end your record shall be fair, and no need to hide at all.

It is much better to be just a good, poor man before the King of Heaven and earth, than to be an unrighteous millionaire before the kings of earth.

Sour Stomach.

When the quantity of food taken is too large or the quality too rich, sour stomach is likely to follow, and especially so if the digestion has been weakened by constipation. Eat slowly and not too freely of easily digested food. Masticate the food thoroughly. Let five hours elapse between meals, and when you feel a fullness and weight in the region of the stomach after eating, take Chamberlain's Stomach and Liver Tablets and the sour stomach may be avoided. For sale by W. J. Sedberry.

A father recently overheard his young son use a word he did not approve, and calling the child to him, said, "My son, if you will promise me never to use that word again I'll give you a silver dime."

The little fellow promised and true to his word, refrained. About a week later he went to his father, and said, "Papa I've learned a new word worth fifty cents."

A Remedy That No One is
Afraid To Take.

Dr. Thacher's Liver and Blood Syrup has been used in thousands of homes for fifty-two years with perfect confidence and the most remarkable results.

The great success of this remedy is due to the fact that its formula (which consists of Buchu, Hydrangea, Mandrake, Yellow Dock, Dandelion, Sarsaparilla, Gentian, Senna and Iodide of Potassium) has been freely published.

Doctors and Druggists everywhere do not hesitate to recommend a preparation which they know contains the best-known remedies for correcting all irregularities of the Liver, Kidneys or Blood, and the diseases caused by the failure of these functions to perform their proper work.

Thousands of sick ones to whom life has been a burden have written grateful letters that others might profit by their experience.

BLOOMING GROVE, TEX., Nov. 15, 1902.

I was suffering terribly with indigestion and kidney trouble and sent to my druggist for something to relieve me.

As he sent me a package of Dr. Thacher's Liver and Blood Syrup I concluded to try it, and now I am deeply grateful to my druggist as well as to you.

I had been a sufferer from these things and a general run-down condition for ten years, and had only received temporary relief from other medicines. But after using not quite two packages of your Liver and Blood Syrup I feel as stout and hearty as I ever did in my life, and I am satisfied that I am entirely cured. I feel no symptoms whatever of kidney trouble, and my digestion is as good as any living man's. I can now eat whatever I choose.

I never had any remedy give me such quick and permanent relief, and I can not put a correct estimate on the value your medicine has been to me. I would not take any amount of money for it. Very gratefully yours

J. C. BROWN.

Arrangements have been made by the surviving Federals of the battle of Pilot Knob for a celebration of the fortieth anniversary of that occasion on the twenty-seventh of September. The affair will be held under the auspices of the Pilot Knob Memorial Association and those who have the affair in charge say that it will bring to the valley the largest crowd in its history. Visitors are expected from all over the United States.

Devoured by Worms.

Children often cry, not from pain, but from hunger, although fed abundantly. The entire trouble arises from inanition, their food is not assimilated, but devoured by worms. A few doses of White's Cream Vermifuge will cause them to cease crying and begin to thrive at once, very much to the surprise and joy of the mother. 25c at W. J. Sedberry.

"Doctor, I have sent for you, certainly. Still, I must confess that I have not the slightest faith in modern medical science." "Oh, that doesn't matter in the least. You see, a mule has no faith in the veterinary surgeon, and yet he cures him all the same."

A FACT
ABOUT THE "BLUES"

What is known as the "Blues" is seldom occasioned by actual existing external conditions, but in the great majority of cases by a disordered LIVER.

THIS IS A FACT which may be demonstrated by trying a course of

Tutt's Pills

They control and regulate the LIVER. They bring hope and buoyancy to the mind. They bring health and elasticity to the body.
